Objectives:

A parent-teacher meet is a great opportunity to:

- a. Share academic progress and growth based on classroom observations, assessments and assignments
- b. Learn from parents or guardians so you can be better informed about students' strengths, needs, behaviors, and learning styles
- c. Discuss enrichment or intervention strategies to support students' learning
- d. Discuss issues that may be interfering with students' learning and growth

Activity Description:

The Department of Computer Science and Engineering has organized a parent-teacher meeting on Saturday 17th February in Cloud Lab at 11:00am. The main purpose of meeting was to create a common platform, where teacher and parents come together to enrich the student's educational experiences and discuss variety of issues, regarding all round development of students.

The meeting was organized under guidance of Head of the Department, **Dr. Basavesha D.** Invitations were sent to the parents of II year through WhatsApp, SMS and personal Call. 10 parents attended the meeting. Parent teacher meeting was started with Welcome address by **Prof. Shanmukaswamy C V** followed by academic Report presented by **Dr. Basavesha D.** Then all faculty members were introduced to parents. Attendance and IA marks of 3rd SEM 1st IA and II IA results of previous semesters were shown to the Parents. Students, identified as low performers were advised to improve their performance Parents expressed their happiness towards the quality of education at college and the department and also praised the college for providing facilities and encouragement for extracurricular/co-curricular activities which helps overall development of an individual. Next **followed** by the parent teachers Question and Answer session handled by **Prof. Rashmi N** and **Prof. Sandhya.** Meeting concluded with a Vote of thanks by **Prof. Suthan R** and refreshment.
