Professor, Dept. of ISE, SIET, Tumkur Mrs. Lavanya K, Asst. Professor, Dept. of ISE, SIET, Tumkur Mr. Abhilash, Asst. Professor, Dept. of ISE, SIET, Tumkur
Target Audience	3 rd , 5 th & 7 th Sem Students
Association with	Internal Quality Assurance Cell
Mission of the Event	<p>The mission of student clubs in the engineering journey is to foster a holistic development environment that enhances both personal and professional skills among students. These clubs serve as platforms for students to engage in various activities that promote creativity, leadership, and teamwork. By participating in clubs, students can explore their interests outside the classroom, which contributes to their overall growth and prepares them for future challenges in their careers. The clubs often focus on areas such as arts, sports, and media, encouraging members to express themselves and develop new skills. Additionally, they provide networking opportunities that can aid in career development, helping students build connections within their field. Through collaborative projects and events, these clubs also emphasize the importance of community engagement and social responsibility. Ultimately, they play a crucial role in shaping well-rounded individuals who are equipped to make meaningful contributions to society and the engineering profession.</p> <p>Encouraged the students by distributing the prizes for department Activity winners of Academic year 2023-24.</p>
