## Academic Background

- Pursuing PhD in Computer Science and Engineering
- M Tech in Computer Science and Engineering
- BE in Instrumentation and Electronics

## Areas of Interest

|                         |                     |
|-------------------------|---------------------|
| • Internet of Things    | • Cyber Security    |
| • Blockchain Technology | • Computer Networks |

## Achievements

- Awarded a research grant of ₹20 lakhs by the Vision Group on Science and Technology (VGST) for the project titled "Establishment of Ethical Hacking - Centre of Excellence" in the academic year 2022–23. Served as the Co-Principal Investigator for the project.
- **Invited Speaker for**  
"Cyber Security, WiFi and Internet Usage Policy, HIMS" at Ashwini Ayurvedic Medical College and Research Centre, Tumakuru.  
"Industrial Internet of Things" at Govt.Polytechnic, Tumakuru.  
"Trends and Opportunities in IoT" at Channabasaveshwara Institute of Technology, Gubbi.  
"Artificial Intelligence" at Acharya Polytechnic, Tumakuru.
- Recognized as Silver Partner Faculty under Infosys Inspire-The Campus Connect Faculty Partnership Model in 2014 and 2015.
- **In-house resource person for**  
Value Added Course on "Salesforce"
- **Professional Membership**  
MISTE  
IEEE Professional Membership
