SHRIDEVI INSTITUTE OF ENGINEERING AND TECHNOLOGY

Recognised by:
Govt. of Karnataka

Affiliated to:
Visvesvaraya Technological University, Belagavi

DEPARTMENT OF ELECTRICAL & ELECTRONICS ENGINEERING

EVENTS CONSOLIDATE REPORTS FROM JANUARY 2025 – DECEMBER 2025

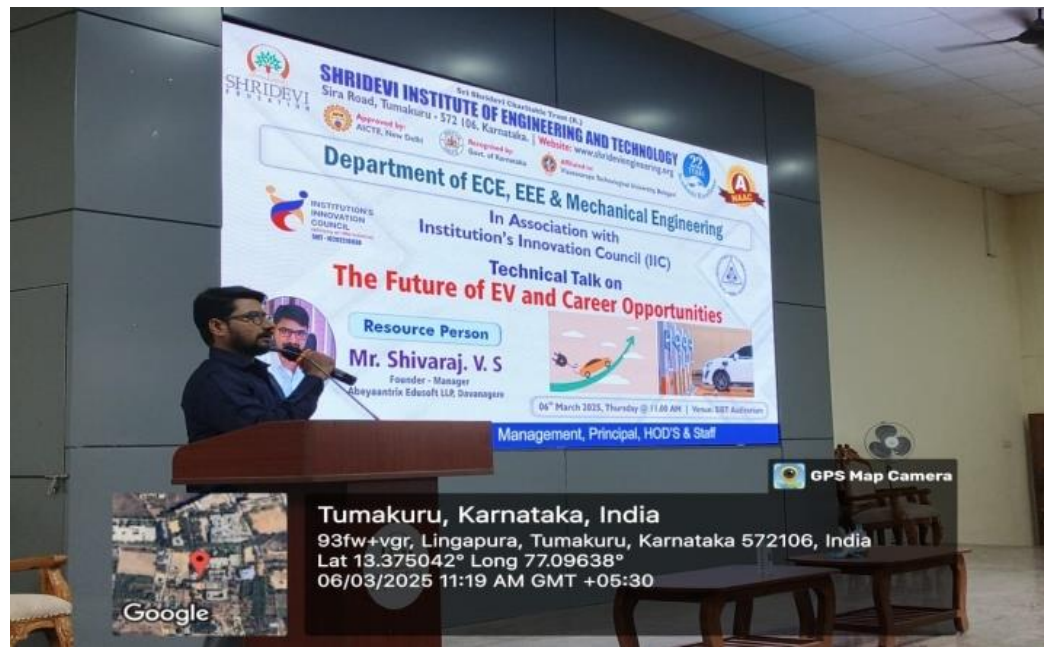

SL NO	NAME OF EVENTS	DATE OF CONDUCT	REMARKS
01	Technical Talk on The Future of EV and Carrier Opportunities	06/03/2025	
02	SIX DAYS SKILL TRAINING on Programming Using Python for II semester students	10/03/25 to 15/03/2025	
03	Parents and Teacher Meeting for IV semester and VI semester students	24/03/2025	
04	SEVEN DAYS SKILL TRAINING for VI semester students	17/03/25 to 26/03/2025	
05	TEN DAYS SKILL TRAINING on “Basic Electronics, Auduino & PCB Designing” for IV Semester students	02/04/25 to 11/04/2025	
06	8 Days Mini Project Training Program For 5 th Semester students	28/07/2025 to 04/08/2025	
07	Industrial visit to the Yettinahole Integrated Drinking Water Supply Project, Sakleshpur, & Visveswaraya Jala Nigama for V and VII sem students	11/09/2025 & 12/09/2025	
08	Technical Talk on Scope of Electrical CAD on present industry for III, V and VII semester students	17/09/2025	
09	6 Days Soft Skill Training Program For V Semester students	26/10/2025 to 31/10/2025	
10	8 Days Skill Training Program For III Semester students	28/10/2025 to 03/11/2025	
11	6 Days Soft Skill Training Program For VII Semester	03/11/2025 to 07/11/2025	
12	PROJECT EXPO for III semester students	05/11/2025	
13	PROJECT EXPO for V and VII SEMESTER	20/11/2025	
14	ELITE CLUB Inaguration	20/11/2025	
15	FOOD WALK under SCR Activity	28/11/2025	
16	FRESHERS DAY	29/11/2025	
17	Waste Management and water conservation under SCR activity	22/12/2025	

Sri Shridevi Charitable Trust (R.) SHRIDEVI INSTITUTE OF ENGINEERING AND TECHNOLOGY

01. TECHNICAL TALK ON THE FUTURE OF EV AND CARRIER OPPORTUNITIES

A one day technical talk on **The Future of EV and Carrier Opportunities** was organized by EEE department for IV and VI semester students at the SIET Auditorium on March 6th 2025 SIET college TUMKURU. The technical talk was chaired by **Mr. Shivraj V.S, Founder-Manager, Abeyantrix Edusoft LLP, DAVANAGERE.**

02. SIX DAYS SKILL TRAINING on Programming Using Python for II semester students

Six days skill training on programming using python for II semester students from 10/03/25 to 15/03/2025

- To introduce students to the importance and necessity of Python Programming in the current IT world.
- To prepare the students to design the simple project in Python using the knowledge they acquired from the workshop.

Sri Shridevi Charitable Trust (R.)

SHRIDEVI INSTITUTE OF ENGINEERING AND TECHNOLOGY

3. Parents and Teacher Meeting for IV and VI semester EEE students

Electrical & Electronics Engineering Department has organized parent teacher meeting for IV Semester students and VI semester students in the even semester of academic year 2024-2025 to strengthen the communication between parents, faculty, and students. The meeting aimed to discuss students' academic progress, college facilities, and future career prospects.

04. SEVEN DAYS SKILL TRAINING for VI semester students

Seven days skill training for VI semester students from **17/03/25 to 26/03/2025**

The primary objectives of the workshop were:

- To introduce students to the importance and necessity of dress code body language.
- To help students to prepare resume in organized manner.
- To help students to understand importance of grammar and communication.
- To help students to understand problem solving time management.
- To prepare the students for aptitude and group discussion

05. TEN DAYS SKILL TRAINING on “Basic Electronics, Auduino & PCB Designing” for IV Semester students

A Ten days Skill Training “**Basic Electronics, Auduino & PCB Designing**” was organized by EEE Department under skill at COMEDKARES INNOVATION HUB, TUMKURU for IV semester students from **02/04/25 to 11/04/2025**.

The primary objectives of the workshop :

- Introduction to Comedkares + Center Tour Introduction to Basic Electronics + Handson with components
- Introduction to Arduino+Arduino + TinkerCad +Handson with Components
- Design Challenges (Basic Electronics)+

06. 8 Days Mini Project Training Program for 5th Semester students

The Mini Project Training program on Advanced Internet of Things (IOT) has a part of academic program was organized by the Department of Electrical and Electronics Engineering at [Shridevi Institute of Engineering and Technology, TUMAKURU](#) for the academic year 2025-26. The training program commenced on 28th July 2025 and was conducted over a period of eight days, concluding on 4th August 2025 in the VLSI Laboratory.

07. Industrial visit to the Yettinahole Integrated Drinking Water Supply Project at Sakleshpur, Visveswaraya Jala Nigama for V and VII sem students.

An industrial visit was organized by the **Department of Electrical and Electronics Engineering** on 11/09/2025 & 12/09/2025 as part of the academic to provide practical exposure to students beyond classroom learning. The visit was conducted to the **Yettinahole Integrated Drinking Water Supply Project** located near **Sakleshpur, Karnataka & Visveswaraya Jala Nigama**. This visit helped students understand the real-time application of engineering concepts involved in large infrastructure projects.

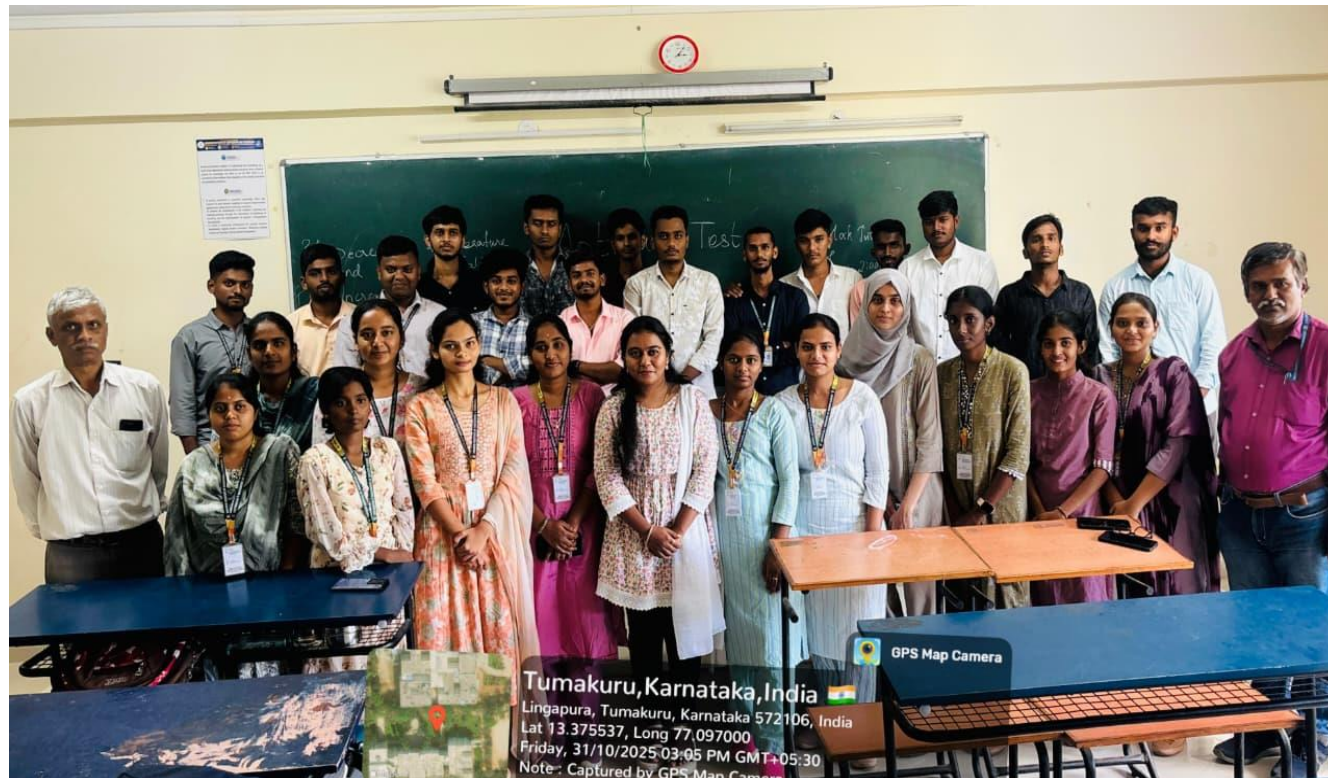

08. Technical Talk on Scope of Electrical CAD on present industry for III, V and VII semester students

Shivakumar H B, CAD Engineer, Tumkuru Presented briefly on the CAD software with the recent and present day technologies. He motivated the students to eagerly participate in the events.

1. Importance of CAD in electrical design
2. Future prospects about CAD
3. Creating job opportunities. Impact on job markets and society
5. Certifications and future trends in the field of CAD
6. Information regarding the skills to be acquired to build a career in CAD domain.

09. 6 Days Soft Skill Training Program for V Semester students

The **Soft Skills Training Program** was organized by the **Department of Electrical and Electronics Engineering, Shridevi Institute of Engineering and Technology**, with the objective of enhancing the employability skills of students and preparing them for campus recruitment processes. The training program was conducted for a duration of six days, from **26/10/2025 to 31/10/2025**, and was designed to strengthen students' aptitude, communication skills, logical reasoning, and interview readiness.

10. 8 Days Skill Training Program for III Semester students

The **Innovation and Design Thinking Skill Lab Training** was conducted from **4th August to 11th August** with the objective of developing creativity, innovation, and problem-solving skills among students. The training program was organized to expose students to modern approaches in innovation and design thinking, which is essential in today's rapidly evolving technological and industrial environment. The training sessions were handled by **two experienced resource persons, Mr. Sushan Karkera and Mr. Mohammed kaif**, who guided the students throughout the program.

11. 6 Days Soft Skill Training Program for VII Semester

The **Soft Skills Training Program** was organized by the **Department of Electrical and Electronics Engineering, Shridevi Institute of Engineering and Technology**, with the objective of enhancing the employability skills of students and preparing them for campus recruitment processes. The training program was conducted for a duration of six days, from 03/11/2025 and was designed to strengthen students' aptitude, communication skills, logical reasoning, and interview readiness.

12. PROJECT EXPO for III semester students

The One-Day Project Expo held on 05/11/2025 organized by the Department of Electrical and Electronics Engineering, Shridevi Institute of Technology, was a significant academic event aimed at fostering innovation, creativity, and practical learning among undergraduate engineering students.

13. PROJECT EXPO for V and VII SEMESTER

The one-day Project Expo was organized by the Department of Electrical and Electronics Engineering (EEE) at Shridevi Institute of Technology on 20th November 2025 for the 5th and 7th semester students. The primary objective of this expo was to provide a platform for students to showcase their technical knowledge, innovative ideas, and practical skills through project demonstrations.

14. ELITE CLUB Inaguration.

The ELITE CLUB inaugurated by Dr. Narendra Vishwanath, Principal of Shridevi institute of engineering and technology on 20/11/2025.

15. FOOD WALK under SCR Activity (Social connect responsibility)

The FOOD WALK program conducted under SCR activity for III semester students and the program inaugurated by Dr. Narendra Vishwanath, Principal of Shridevi Institute of Engineering and Technology on 20/11/2025.

16. FRESHERS DAY

The FRESHERS DAY Program for 2025 batches students inaugurated by Dr. Narendra Vishwanath, Principal of Shridevi institute of engineering and technology on 20/11/2025.

Sri Shridevi Charitable Trust (R.)
SHRIDEVI INSTITUTE OF ENGINEERING AND TECHNOLOGY

17. Waste Management and water conservation under SCR activity

The “Waste management and water conservation activity” conduct at Attikatte, Gubbi on 22/12/2025 under SCR activity for III semester students.
